Donnybrook in the Park III Set for June 10, 2006 1PM-?

HANOVER—as the second Saturday in June quickly approaches it's time to think of warmer weather and Donnybrook in the Park! This year's fund raising event is for the **Kid's Kount Program** to assist in the purchasing of new play ground equipment and to help with over all improvements to White Park.

It is sure to be filled with all the craic from the past two years and then some! Come rain or shine we are prepared with larger tents to insure the music and dancing by the Claddaugh Dancers will continue, Sugar Ray will be back with his famous barbecue and side dishes, the Hanover Girl Scouts will be offering soda and water and the Schwan's Ice Cream cooler will be there for dessert. We will again offer on tap Guinness, Harp, Miller Lite. Mikes Hard Lemonade and wine will also be available. Shamrock Imports will be selling their beautiful items form Ireland; the Apple River Queen will be giving free boat rides and the 50/50 raffle will be going in full force!

And let us not forget the wonderful musicians that make this event possible with times to be announced later: The Terrapin Ridge Ramblers, The Lads, The One Hat Band, The Beggarmen, Nappertandy and the headliner Donnybrook with the grand finale "The Scattering".

So, come spend the day with the family and help support a great cause "**The Kid's Kount Program**" on June 10th. Gate admission for the all day music event will be: Adults \$7.00, Teens \$3.00 and Children \$1.00 and keep a check on www.irishparty.net for the latest updates and news on the event.
