

Dear Friend and Community Supporter:

We wish to **THANK YOU** for your generous contribution to our fundraiser for the Hanover Volunteer Fire Department and Main Street Project!

Because of YOU, and many more caring people like you "Donnybrook in the Park" was still a success despite the weather. Everyone who attended the event was thrilled by the great program of musicians, dancers, vocalists and enjoyed the tasty food and beverages.

Countless people have told us how much they enjoyed "Donnybrook in the Park" and asked us to do it again next year, so indeed we will, rain or shine!

Save the second Saturday in June and watch for the announcements and updates on our website and local papers for next years "Donnybrook in the Park".

With Gratitude,

Jennie, Kathy, Tommy and Dennis
