### **Donnybrook in the Park IV Set for June 9, 2007 1PM-?**

HANOVER—as the second Saturday in June quickly approaches it's time to think of warmer weather and **Donnybrook in the Park IV**! It's hard to believe that we are going into our fourth year and yet, here we are, all thanks to people like you!

We are proud to announce that this year's fund raising event proceeds will hopefully benefit two great causes, the **Hanover Main Street Project** to assist in the purchase of new street lamps to enhance the welcoming beauty of our little village and to the **River Ridge Music Department** to help enrich the lives of the children in our community through music and assist with instrument rental fees.

It is sure to be filled with all the craic from the past three years and then some! Come rain or shine we are again prepared with tents to insure the music and dancing by the Claddaugh and Mayer School of Irish Dance will continue, Sugar Ray will be back with his famous barbecue and side dishes, we'll have soda, water and the Schwan's Ice Cream cooler will be there for dessert if weather permits. We will again offer on tap Guinness, Harp, Miller Lite. Mikes Hard Lemonade, O'Doul's and wine will also be available. Shamrock Imports will be selling their beautiful items form Ireland; the Apple River Queen will be giving free boat rides and the 50/50 raffle will be going in full force!

And let us not forget the wonderful musicians that make this event possible with times to be announced later: The Terrapin Ridge Ramblers with Michelle Payne, One Hat Band, The Beggarmen, Napper Tandy and the headliner Donnybrook with the grand finale "The Scattering".

So, come spend the day with the family and help support these great causes "**The Hanover Main Street Project and the River Ridge Music Department**" on June 9<sup>th</sup>. Gate admission for the all day music event will be: Adults \$7.00, Teens \$3.00 and Children \$1.00 and keep a check on [www.irishparty.net](http://www.irishparty.net) for the latest updates and news on the event.
